

FALL 2023 RELEASE

REVANA

# FALL 2023 RELEASE

SUSTAINABLY FARMED | LIMITED PRODUCTION | HAND-SORTED

## 2017 REVANA 'STAGS LEAP' CABERNET SAUVIGNON

This single-vineyard Cabernet Sauvignon comes from the oldest vines within the Steltzner Vineyard, located at the base of Napa Valley's eastern slopes. This rugged landscape of rocky iron-rich red volcanic soils produces wines that strike a balance between elegance and power. The 2017 vintage began with heavy winter rains followed by dry summer heat, creating idyllic conditions for an exceptional crop that produced a wine with expressive dark fruit aromatics framed by elegant and silky tannins.

Steltzner Vineyard  
Clone 337

Aged for 20 months in 80% New French oak, 20% neutral oak

### TASTING NOTES

**NOSE** | raspberry tart, violets, and black walnut

**PALATE** | fresh blackberries, black plum, and toasted brioche

## 2017 REVANA 'HOWELL MOUNTAIN' CABERNET SAUVIGNON

Perched high above the Napa Valley, the Cold Springs Vineyard is composed of an intricate mixture of iron-rich volcanic ash, limestone, and rhyolite. Heavy winter rains preceded the 2017 growing season, which replenished nutrients in vineyard soils and contributed to a healthy start to the growing season. The warm summer resulted in a wine of extraordinary concentration and richness. Barrel-aged for 20 months in French Oak.

Cold Springs Vineyard  
Clones 191, SEE

Aged for 20 months in 80% New French oak, 20% neutral oak

### TASTING NOTES

**NOSE** | raspberry tart, violets, and black walnut

**PALATE** | fresh blackberries, black plum, and toasted brioche and a spicy note of white pepper, complex tannins

## 2016 REVANA 'RUTHERFORD' CABERNET SAUVIGNON

A mixture of gravelly, sandy, and loamy soils combined with the extended sunlight from being located at the widest point in the valley delivers flavors of steeped red and dark fruit framed by silky tannins. Planted in the heart of Rutherford at the widest point of the Napa Valley, Ithaca Vineyard benefits from abundant sunshine and a rich mixture of gravelly and sandy soils. The underlying sandstone base is ideal for California Cabernet Sauvignon which delivers a rare consistency of berry ripeness, color, and flavor. Barrel-aged for 20 months in French Oak.

Ithaca Vineyard  
Clone 7

Aged for 20 months in 80% New French oak, 20% neutral oak

### TASTING NOTES

**NOSE** | five spice, black pepper, loose-leaf tobacco, cedar
