2019 'TERROIR SERIES' CABERNET SAUVIGNON NAPA VALLEY AVA - CALIFORNIA

For over 20 years, our eight acre Estate in St. Helena has been producing highly-allocated, small-production Cabernet Sauvignon under the vision of legendary winemakers Heidi Barrett (2001–2010) and Thomas Rivers Brown (2011–current).

As a small, independent, family Estate winery in Napa Valley, Revana Family Vineyards produces limited quantities of classically balanced Cabernet Sauvignon. In addition to the Revana Estate Vineyard, our winemaker, Thomas Rivers Brown works with two other iconic sites in Napa Valley—Edcora Vineyard and Shifflott Ranch—to create the 'Terroir Series' Cabernet Sauvignon.
